This Website is for information purposes only and is not a statement of future intent.

dClinic makes no warranties or representations as to the successful launch of the Token Sale, or achievement of any other activities noted in this paper, and disclaims any warranties implied by law or otherwise, to the extent permitted by law. No person is entitled to rely on the contents of this Website or any inferences drawn from it, including in relation to any interactions with dClinic, the Token Sale or the technologies mentioned in this paper. dClinic disclaims all liabilities for any loss or damage of whatsoever kind (whether foreseeable or not) which may arise from any person acting on any information and opinions relating to dClinic, the dClinic Platform or any information which is made available in connection with any further enquiries, notwithstanding any negligence, default or lack of care. Whilst every effort is made to ensure that statements of facts made in this Website are accurate, all estimates, projections, forecasts, prospects, expressions of opinion and other subjective judgments contained in this Website are based on assumptions considered to be reasonable as of the date of the document in which they are contained and must not be construed as a representation that the matters referred to therein will occur. Any plans, projections or forecasts mentioned in this Website may not be achieved due to multiple risk factors including without limitation defects in technological developments, legal or regulatory exposure, market volatility, sector volatility, corporate actions, or the unavailability of complete and accurate information. All Token Sale information contained in this document is intended to be indicative only and is not a statement of dClinic's intentions. Any such information may be changed by dClinic prior to the Token Sale. If so, any new documentation will supersede this document and be available at <https://dClinic.io>
